

Architectural drawing of the ground floor (GÓRNY POZIOM FUNDAMENTU) and the upper floor (GÓRNY POZIOM FUNDAMENTU -0.00) of a building. The drawing shows the layout of the building, including the main entrance (WYŚCIEŻKA) and the main staircase (SCHODY). The drawing includes dimensions for the overall structure and the individual rooms. The overall dimensions are 325m by 325m. The ground floor has a central area of 275m by 275m. The upper floor has a central area of 275m by 275m. The drawing also shows the location of the main entrance (WYŚCIEŻKA) and the main staircase (SCHODY).

A line drawing of a traditional Chinese building, likely a temple or a residence. It features a wide, tiled roof with a central chimney or vent. The building is supported by several vertical pillars, and the overall style is minimalist and architectural.

[illegible]

This architectural drawing shows the front elevation of a house. It features a gabled roof with a central chimney. The facade includes a central door with a transom window, flanked by windows with shutters. The drawing is a line art representation.

[illegible]

Technical drawing of a square frame with a central square hole. The drawing includes dimensions and angles:

- Overall width: 363
- Overall height: 363
- Inner square hole side: 12
- Frame thickness: 28
- Angles:  $35^\circ$  (indicated at the corners of the inner square hole)
- Labels: 1, 2, A, B, C (circled numbers/letters)
- Dimensions: 688, 28, 12, 363
- Angles:  $35^\circ$
- Labels: RS, A, B, C

A line drawing of a building facade. It features a triangular pediment supported by three columns. The columns are decorated with horizontal lines. Above the pediment is a small, square, cupola-like structure with a flat roof and a small opening.
